BOOK SYNOPSIS

Celebrating the Arthur Miller centennial year, an eye-catching new Penguin Plays edition of the work that established him as a leading voice in the American theater. In 1947, Arthur Miller exploded onto Broadway with his first major work, *All My Sons*, winning both the New York Drama Critics' Circle Award for Best New Play and the Tony for Best Author. The play introduced themes that would preoccupy Miller throughout his career: the relationships between fathers and sons and the conflict between business and personal ethics. This striking new edition adds *All My Sons* to the elegant Penguin Plays series—now in beautifully redesigned covers. Joe Keller and Steve Deever, partners in a machine shop during World War II, turned out defective airplane parts, causing the deaths of many men. Deever was sent to prison while Keller escaped punishment and went back to business, making himself very wealthy in the ensuing years. A love affair between Keller's son, Chris, and Ann Deever, Steve's daughter; the bitterness of George Deever, who returns from the war to find his father in prison and his father's partner free; and the reaction of Chris Keller to his father's guilt escalate toward a climax of electrifying intensity. From the Trade Paperback edition.

ALL MY SONS PENGUIN CLASSICS - Are you looking for Ebook *All My Sons* Penguin Classics ? You will be glad to know that right now *All My Sons* Penguin Classics is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.
