BOOK SYNOPSIS

Join Andy the Ant as he treks through an exciting adventure inside a beehive with his new friend, Beatrice the Bee. The author weaves a fun and educational story about beekeeping. Although this charming story is designed for elementary children, adult readers may learn a thing or two as well! The book is loaded with fun-filled information about the duties of a beekeeper, the various jobs bees have, how bees make honey, why bees dance, and more. Andy the Ant Learns the Buzz on Bees provides highlighted vocabulary words throughout the story. Activities in the back of the book include some tasty honey recipes for kids to try at home. Parents, children, and teachers will be "abuzz" with all the un"bee"lievable facts of this charming and informative story. It is an excellent science resource for the little scientists in your life.
