## BOOK SYNOPSIS

Welcome to the Candidacy. Where dreams go to die. Twenty-year-old Ryiah is a black mage of Combat, but she is not the Black Mage. Yet. Shes had her eyes on the legendary robe for as long as she can remember, and in just one year she will have a chance at her countrys prestigious -and only- tourney for mages... Too bad she is going up against a certain non-heir. The one person she has yet to beat. Meanwhile Ry has a year to prove herself in her new role as a war mage and the princes betrothed. Neither is quite what she expected and complications arise on both fronts. War is on the horizon, and with so many enemies the kingdom of Jerars fate is more than ever at risk. The Candidacy finally arrives, but its only the beginning. Nothing can prepare her for what comes next.
