BOOK SYNOPSIS

A warm, intimate account of the love between Eleanor Roosevelt and reporter Lorena Hickok—a relationship that, over more than three decades, transformed both women's lives and empowered them to play significant roles in one of the most tumultuous periods in American history. In 1932, as her husband assumed the presidency, Eleanor Roosevelt entered the claustrophobic, duty-bound existence of the First Lady with dread. By that time, she had put her deep disappointment in her marriage behind her and developed an independent life—now threatened by the public role she would be forced to play. A lifeline came to her in the form of a feisty campaign reporter for the Associated Press: Lorena Hickok. Over the next thirty years, until Eleanor's death, the two women carried on an extraordinary relationship: They were, at different points, lovers, confidantes, professional advisors, and caring friends. They couldn't have been more different. Eleanor had been raised in one of the nation's most powerful political families and was introduced to society as a debutante before marrying her distant cousin, Franklin. Hickok, as she was known, had grown up poor in rural South Dakota and worked as a servant girl after she escaped an abusive home, eventually becoming one of the most respected reporters at the AP. Her admiration drew the buttoned-up Eleanor out of her shell, and the two quickly fell in love. For the next thirteen years, Hickok had her own room at the White House, next door to the First Lady. These fiercely compassionate women inspired each other to right the wrongs of the turbulent era in which they lived. During the Depression, Hickok reported from the nation's poorest areas for the WPA, and Eleanor used these reports to lobby her husband for New Deal programs. Hickok encouraged Eleanor to turn their frequent letters into her popular and long-lasting syndicated column "My Day," and to befriend the female journalists who became her champions. When Eleanor's tenure as First Lady ended with FDR's death, Hickok pushed her to continue to use her popularity for good—advice Eleanor took by leading the UN's postwar Human Rights Commission. At every turn, the bond these women shared was grounded in their determination to better their troubled world. Deeply researched and told with great warmth, *Eleanor and Hickok* is a vivid portrait of love and a revealing look at how an unlikely romance influenced some of the most consequential years in American history. From the Hardcover edition.

ELEANOR AND HICK THE LOVE AFFAIR THAT SHAPED A FIRST LADY - Are you looking for Ebook *Eleanor And Hick The Love Affair That Shaped A First Lady*? You will be glad to know that right now *Eleanor And Hick The Love Affair That Shaped A First Lady* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Eleanor And Hick The Love Affair That Shaped A First Lady* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Eleanor And Hick The Love Affair That Shaped A First Lady* and many other ebooks.

We have made it easy for you to find a PDF Ebook without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Eleanor And Hick The Love Affair That Shaped A First Lady*. To get started finding *Eleanor And Hick The Love Affair That Shaped A First Lady*, you are right to find our website which has a comprehensive collection of manuals listed.
