BOOK SYNOPSIS

The Brotherhood of the Holy Shroud is the explosive international bestseller that mixes fact and fiction to tell the riveting story of one of the world's most controversial relics—the Holy Shroud of Turin—and the desperate race to save it from those who will stop at nothing to possess its legendary power.... A fire at the Turin cathedral and the discovery of a mutilated corpse are the latest in a disturbing series of events surrounding the mysterious cloth millions believe to be the authentic burial shroud of Jesus Christ. Those who dare to investigate will be caught in the cross fire of an ancient conflict forged by mortal sacrifice, assassination, and secret societies tied to the shadowy Knights Templar. Spanning centuries and continents, from the storm-rent skies over Calvary, through the intrigue and treachery of Byzantium and the Crusades, to the modern-day citadels of Istanbul, New York, London, Paris, and Rome, The Brotherhood of the Holy Shroud races to a chilling climax in the labyrinths beneath Turin, where astounding truths will be exposed: about the history of a faith, the passions of man, and proof of the most powerful miracle of all.... From the Hardcover edition.
