BOOK SYNOPSIS

After the unexpected death of his three-year-old son, Jason Jones went on a long, painful journey to make sense of how God could let this happen to his family. He struggled intensely with his faith after everything he thought about God disintegrated on June 12, 2011. At some point in our lives, something goes terribly wrong, and our faith is shaken to the core. This is the story of one mans journey through his darkest time and a grueling attempt to find a sliver of hope to keep holding on.
