## BOOK SYNOPSIS

Get to know the couple (and the houses) behind Old Home Love. Andy and Candis Meredith believe there's nothing that can't be fixed. Their passion for saving and renovating old homes, which caught the attention of HGTV, sparked the creation of their new reality series, Old Home Love. Their stunning debut book features never before seen images of more than 15 homes, (including their own, renovated by the couple themselves), do-it-yourself renovation tips and guidance, and their family's story. Old Home Love will inspire readers to discover the history and beauty behind their own homes, regardless of location or style. Andy and Candis Meredith take dilapidated houses from the 1800s and restore them to their original beauty for future homeowners to cherish for years to come. They live in Payson, Utah with their six little boys and baby girl in tow.
