BOOK SYNOPSIS

This widely used book is packed with practical guidelines and proven strategies for implementing a whole-school approach for reducing bullying. The author draws on theory and research as well as over two decades of experience as a school counselor, presenter, and consultant to provide educators with creative ideas and successful techniques. Interventions to help aggressive youth internalize rules and develop conscience are paired with methods for helping targets of bullying heal. The book addresses preventing harassment of students with disabilities and contains a troubleshooting guide for developing and implementing school discipline systems.
