BOOK SYNOPSIS

“Show me your teeth,” the great naturalist Georges Cuvier is credited with saying, “and I will tell you who you are.” In this shattering new work, veteran health journalist Mary Otto looks inside America’s mouth, revealing unsettling truths about our unequal society. *Teeth* takes readers on a disturbing journey into America’s silent epidemic of oral disease, exposing the hidden connections between tooth decay and stunted job prospects, low educational achievement, social mobility, and the troubling state of our public health. Otto’s subjects include the pioneering dentist who made Shirley Temple and Judy Garland’s teeth sparkle on the silver screen and helped create the all-American image of “pearly whites”; Deamonte Driver, the young Maryland boy whose tragic death from an abscessed tooth sparked congressional hearings; and a marketing guru who offers advice to dentists on how to push new and expensive treatments and how to keep Medicaid patients at bay. In one of its most disturbing findings, *Teeth* reveals that toothaches are not an occasional inconvenience, but rather a chronic reality for millions of people, including disproportionate numbers of the elderly and people of color. Many people, Otto reveals, resort to prayer to counteract the uniquely devastating effects of dental pain. Otto also goes back in time to understand the roots of our predicament in the history of dentistry, showing how it became separated from mainstream medicine, despite a century of growing evidence that oral health and general bodily health are closely related. Muckraking and paradigm-shifting, *Teeth* exposes for the first time the extent and meaning of our oral health crisis. It joins the small shelf of books that change the way we view society and ourselves—and will spark an urgent conversation about why our teeth matter.

TEETH THE STORY OF BEAUTY INEQUALITY AND THE STRUGGLE FOR ORAL HEALTH IN AMERICA - Are you looking for Ebook *Teeth The Story Of Beauty Inequality And The Struggle For Oral Health In America*? You will be glad to know that right now *Teeth The Story Of Beauty Inequality And The Struggle For Oral Health In America* is available on our online library. With our online resources, you can find *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. *Teeth The Story Of Beauty Inequality And The Struggle For Oral Health In America* may not make exciting reading, but *Applied Numerical Methods With Matlab Solution Manual 3rd Edition* is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with *Teeth The Story Of Beauty Inequality And The Struggle For Oral Health In America* and many other ebooks.

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with *Teeth The Story Of Beauty Inequality And The Struggle For Oral Health In America*. To get started finding *Teeth The Story Of Beauty Inequality And The Struggle For Oral Health In America*, you are right to find our website which has a comprehensive collection of manuals listed.
